As Hallie Hill grows as a nonprofit, we are charged with the task of funding our live-saving work! Providing food, medical care, and a comfortable home for the 200 animals in our care comes at a price, so we are excited to announce three amazing upcoming fundraisers!

The first is on Thursday, February 8th, at Helena Fox Fine Art - it's a Jewelry Trunk Show featuring Miller Mae Designs! Come and sip champagne provided by Edmunds Oast and peruse the beautiful handmade jewelry. Maybe you'll find something for that special Valentine! 25% of the proceeds benefit Hallie Hill.

The second fundraiser is on Friday, March 23, 2018. Come and join us at Stono Ferry Golf Club for *'Putting for Paws'* - a day filled with golfing fun to benefit Hallie Hill! The tournament will be an 18-hole scramble, with a cart. There will be gifts, on-course competitions, and prizes! Lunch is included with registration and will be served at 11am, with the shotgun scramble beginning at noon. You can register online at our website by clicking here: www.halliehill.com or by clicking here: [Putting for Paws!](#) There are also some sponsorships still available!! Register now so you don't miss on an AWESOME day for a 'PAWSOME' cause!

Your third opportunity to support our life saving work is our P2P (peer to peer) fundraising campaign for the *2018 Cooper River Bridge Run*. The campaign begins right now, through April 7th! Many people run this event, and this year several persons will be running in support of the wonderful dogs and cats of Hallie Hill. Every team must have at least one member running (or walking) the Cooper River Bridge on April 7th. There are many ways to help. You can start a team, join a team, donate to any team, or simply donate to the general campaign! As of now, there are only a few teams formed, but we hope for many more as anyone can form or join a team! The easy to use online system allows you to create your own donation page, share the site on Face Book, create emails asking people to join your team, donate, and even thank donors who contribute! Last year, volunteer Daniela Schneider was our only sponsored runner, and she singlehandedly raised \$5,000 for the sanctuary! Way to go Daniela! With everyone's support, we can raise even more this year to keep the Sanctuary gates open for animals in need. Click her to learn more: [Cooper River Bridge Run for Hallie Hill](#). Each fundraiser is also accessible from a menu on the Hallie Hill home page! Click here: www.halliehill.com

Thank you for your essential support of Hallie Hill Animal Sanctuary! We, quite literally, cannot do it without your help!

Volunteer SPOTLIGHT: Lauralee Hansen

Lauralee Hansen has been a faithful volunteer for over 3 years. She loves her time here as there's always a new animal to meet, an older one that needs some extra attention, or dogs that get so excited to see her heading their way because they know a walk is in their future! Lauralee loves the changing seasons. Spring at HHAS is beautiful, summer brings extra time at the pond with the dogs, and fall is lots of fun with the animals feeling more frisky from the cooler temperatures. Lauralee just tolerates the winter (like many of us) but doesn't let the cold keep her away!

Lauralee has cried tears of joy when one of her favorites is adopted and cried for the souls that crossed the Rainbow Bridge. She went to Ireland a few years ago and brought back a collar (the Lucky Collar) that has been worn on at least 3 dogs that were adopted! Braveheart is wearing it now, and we are optimistic that it will work its magic again!

Lauralee is dedicated to enriching the lives of our residents and enjoys all the slobbery kisses and wagging tails. A BIG thanks from all of us at Hallie Hill Animal Sanctuary for all she does!

Our February Feature Article: **Sharing the LOVE: The Alumni of Hallie Hill !**

This is Ruby Mae, canine daughter of Leigh and Pat Wechter! Adopted as a puppy from Hallie Hill, she has grown quickly into a beautiful girl! She loves hanging with her sibling, Zeppelin.

Meet Woody, the newest member of the pack parent-ed by Michele and Jeff Bayme! He loves his siblings Abby and Remi (and Jonathan and Ari, too!) Woody went home as a hurricane guest, and never left!

What a lucky dog!

'Please find attached photo of "Mango" now known as Willy. It's been almost four years since we've adopted Willy and he has taken to family life quite well. His favorite thing to do is sleep, dig holes in the yard to sleep in, go on our daily walks and take rides in the car. His laid back attitude works well with my daughter who LOVES him so much she adorns him with hugs all the time. Thanks for all you do!'

-The Roth Family

The Hallie Hill Howler

'This is our sweet Tinkerbelle! She makes us laugh everyday. Her favorite things, in this order, are: her Daddy, watching the birds from a chair on the deck, and curling ribbon! (Notice her brother, Neo, did not make the list!) Another of her favorite people is Miss Daisy!'

-Lynn and Dave Rosato

'This is my girl, "Carolina," chillin on the porch of our cabin we have in NC. She continues to have her very quiet personality and she loves being brushed. I've had her 2 years now.'

-Vicki C

Squirrel and Smokey are doing well at H.O.P.E. Acres! Smokey is a loner but Squirrel loves to 'talk' to the volunteers! She lets them know she wants to be petted by nibbling on their hands! Thanks Rae Anne Tharpe Leimbach for their new home!

The Hallie Hill Howler

'We had lost our dog and we were looking for another "Hound". We always had large dogs all our lives, and never thought we wanted a little fluff.....as we used to call small dogs. We heard about Hallie Hill and came to look....saw Baby aka Peggy Sue and we were not sure. Went home and something made us go back for her. Helen let us adopt her (with a tear in her eye). She is a pure delight. We love her dearly and now are confirmed small dog owners. However, one never knows?! Thank you for this joy!'

-Dorothy Farfone and Family

Here is beautiful Holly, adopted by Rae Anne Tharpe Leimbach! Holly was challenged by skin and behavior issues when she came to Hallie, but Rae Anne saw the beauty in her, worked with her patiently, and now her personality shines!

'Magic may be the uncoolest cat we've ever met. He has his own humidifier, he's clumsy and awkward, and he drools. But he's also the sweetest. He has been a constant source of joy for us. It's been great watching him go from a needy, shy orphan cat to a noisy, lazy, loving house cat. We love you, Magic!'

This is Bo Peep. Peep serves as a timer and lets us know when it's breakfast, snack and dinner time! She is also a bed hog, but very spoiled and VERY loved!

Meet Millie and Hank, alumni of Hallie Hill, now beloved companions of Glenn Kudlevicz (and sibling Mollie!) They are 'living the life' on Edisto Island! Nothing gets by them in the front and back yards, as they keep watch!

This is Clyde, adopted by Kendrick Mayes!

Clyde is living the good life at Kendrick's side...in this picture he is making the most of his freedom to roam! He is a happy boy, and embraces new adventures with gusto!

10 Great Reasons to Open Your to a Senior Pet

1. **Older dogs have manners.** Unlike puppies, many grown-up dogs have spent years living with a family and being socialized to life with humans. They may have received obedience training and respond to commands like Sit, Stay, and Down. Many are house trained and it takes a matter of hours or a day or two to help them learn the potty rules in their new home.
2. **Senior pets are less destructive.** Most older adoptive pets are well past the search-and-destroy phase. You don't need to worry so much about finding your favorite pair of shoes or a table leg chewed beyond recognition. Chances are your senior kitty has no urge to overturn your potted plant or shred the handmade quilt your grandma gave you.
3. **What you see is what you get.** A senior pet holds no surprises as to how big he might get, what color his adult coat will be, or whether his hips will be healthy. A senior pet comes to you with his own history, which makes his future much more predictable than that of an 8-week old puppy or kitten.
4. **You can teach an old dog new tricks.** Adult dogs can focus on the task at hand (unlike many of their much younger counterparts). If your adopted older pet needs to learn a few things in her new life with you, not to worry. Enroll her in an obedience class, contact a trainer, or go the do-it-yourself route. Older dogs are more attentive than puppies, and more eager to please their humans.
5. **You can custom order your senior pet.** If you're looking for a short-haired cat, for example, or a kitty with no history of dental disease, you can search until you find an older pet with exactly those attributes. If you already have a cat and need your adoptive dog to get along with cats, again, you'll have a much better chance of finding an older adoptive dog who is a perfect companion for your family.
6. **You can adopt a purebred pet if you want.** If you really love a certain breed of dog or cat, chances are there's a breed rescue club that can point you in the direction of older purebred pets in need of homes.
7. **Senior pets are great company for senior citizens.** Many elderly people find the calm presence of an older pet very comforting. They appreciate having a companion who is also 'getting up there' in age, doesn't mind hearing the same stories again and again, and is content to move through life at a slower speed.
8. **Older pets are relaxing to hang out with.** Senior dogs and cats have all the basics down and aren't full of wild energy to burn. Because you're not constantly chasing around or cleaning up after your older pet, you have a lot more time to spend finding fun things to do or just relaxing together.
9. **Adopted senior pets are grateful for your kindness.** Somehow, older pets seem to know you gave them a home when no one else would. Many new owners form a close bond very quickly with their senior dog or cat, because the pet shows them a level of attention and devotion that is unique to older adopted animals.
10. **You can be a hero to a deserving dog or cat.** Almost without exception, people who adopt older animals feel a special sense of pride and purpose in opening their heart to a hard-to-place pet. Doing a good thing really does make you feel good!

Mission Statement

Hallie Hill Animal Sanctuary is a 501c3 that provides sanctuary for dogs and cats with no other home or shelter, rescues and cares for animals in need of assistance for the remainder of their lives, including providing proper shelter, nutrition and medical care.

What we do:

1. Provide respite and rehabilitation for dogs and cats preparing them for adoption, and a loving forever home to those unable to be adopted.
2. Perform community outreach in our area of Hollywood and Ravenel, two of the under served areas of Charleston County.
3. Provide food, medical services, spay/neuter, vaccinations and general wellness care.
4. Provide long-term care and a loving, final home for those animals whose adoption may be difficult due to age, medical or emotional issues.
5. Reinforce the human component of the human/canine/feline relationship in a respectful way by recognizing and honoring the fact that people's love for their animals transcends economic circumstances and cultural differences.
