The Hallie Hill Howler

Alpha Impressions

By: Jennifer Middleton

Last year was a wonderful year for Hallie Hill Animal Sanctuary! In January 2019 our starting population was 222 animals (including the feral cats). We took in a total of 143 new dogs and cats throughout the year, so a total of 365 animals benefited from either long or short-term sanctuary with us in 2019! This may not sound like a super high number, but one must remember, since we are focusing on animals who are less adoptable due to age, health, or behavioral issues, the sanctuary is not an outcome-based operation! Being a sanctuary means we are prepared to offer every animal we accept a life-long home, if needed!

This year was packed with many community events including Putting for Paws, the Cooper River Bridge Run, Laps for Love and Barktoberfest, but there was always something exciting happening within our gates as well! We started new training protocols for our valuable volunteers and hosted many volunteer days for groups such as Charles River Laboratories, Roper St Francis, and Veterinary Specialty Care. Hallie Hill welcomed celebrity guests such as The Asher House and KC Doubletake. We visited local elementary, middle and high schools to provide valuable humane education. Our adoptable dogs and cats were featured on our local television channels 2 (NBC), 4(ABC), and 24 (FOX) as well as the nationally broadcasted Hallmark Channel's Home and Family Show and Subaru's Make A Dog's Day campaign!

Hallie Hill would like to thank the staff, volunteers, and donors who provide the incredible support that makes the sanctuary the very special place that it is! It is because of YOU that we can continue to provide a safe haven for animals in need!

We at Hallie Hill wish you, and your treasured pets, a very happy and healthy 2020!

Barn Dogs

There is a place
 you may have heard
 So quiet, peaceful, still
 it's just a way down that long road
 we call it Hallie Hill

Our home is in this lovely barn
 protected from all harm
 A sweet gray face and soft brown eyes
 any heart we'll surely charm

We come in every shape and size
 to earn our love you've won the prize
 Some big, some small, some short and tall
 surely, we are loved by all

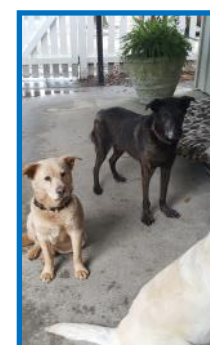

We are cared for tenderly by gentle Loving hands
 that always take their time

As some of us are slower and start to lag behind

We may have a comfort friend should we be feeling shy
 to help us feel more confident, to be braver and to try
 For there may be that someone who's heart may need a lift
 no love more true, so pure and sweet
 your presence is our gift

So do not fill your heart with sorrow for those that may live here
 for anyone who loves old dogs it could not be more clear
 Not homeless but have boundless love

We are a pack you see
 This is our home
 Our Hallie Hill
 We are a family!

THELMA And LOUISE!

Hallie Hill Animal Sanctuary

Meet our pair of little sugar gliders... Thelma + Louise!

Thelma + Louise came to us a bit under-socialized, and not very trusting of people. With some patience and lots of love, these little ones will form a bond with you. Sugar gliders are nocturnal, and as such will prefer a dark environment (can be as simple as a blanket over their cage) and sleep during the day.

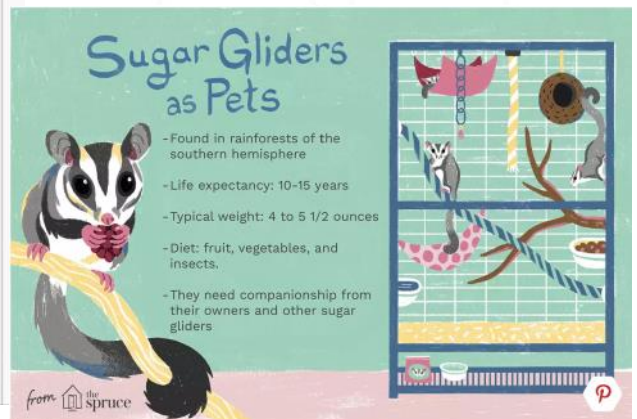

Approximate date of birth: 11/21/16
Experience with sugar gliders preferred, but not required.

Interested in meeting or adopting Thelma and/or Louise?

The support of the community has been overwhelming this holiday season! Many businesses collected money and supplies for Hallie Hill, and more are arriving every day (stay tuned)! We are very grateful for your belief and support of our mission! With your help, we will continue to rewrite the future for the animals in our care.

Thank you for adopting me!

You didn't care how I looked and that I wasn't a pedigree
You showed me that I am not disposable and that I am loved
You brought back the wag in my tail and the shine in my coat
You gave me the chance to become the dog I am now
You gave me a warm, safe place to sleep in your home
Now I have a family I can call my own!

We would love to see pictures of our wonderful alumni all year long! (You see, they all take a piece of our hearts with them when they go to their fur-ever homes!)

January's Adorable Adoptables!

Shake and Bake

Shake and Bake is a sweet kitty who loves to play! At only 3 years old, he is ready to add years of joy to your family! This boy is very social even likes to have his belly rubbed! He is very adoptable, we are not sure why he has been overlooked...YOU can remedy that situation and give this loving boy a home all his own!

Little

Little is a happy, excited, 4 year old pup! He gets along with other dogs, and will often be found cuddling with some of his roommates! Little can get jealous and protective over people - and just needs to be reminded that there is plenty attention to go around. This cutie hopes you will apply to adopt him today!

Flounder

This handsome fellow is Flounder. At just 4 years old, he is a beautiful young hound who loves to explore and play. He would love to take a leisurely walk in your neighborhood, go for a swim, go for a run by your side or just nap on the floor at your feet! He is looking for someone to love him and give him a furever home. He would be a wonderful choice to complete your family!

Jay

Jay is the sweetest boy. He always has a smile on his face, and prances around when he is excited. This older gentleman is just excited about life! He likes to go on a leisurely walks and sniff all that the world has to offer! At 15 years old Jay would love a family with lots of love to share to live out his senior years. This wise and gentle soul will make your home complete!

Go to halliehill.com and fill out an application to come out to HHAS to meet these wonderful animals. They will complete your family!
