The Hallie Hill Howler

Happy
4th
of July
Alpha Impressions

Dear Friends,

As the heat of summer is upon us, we are as busy as ever at the Sanctuary! Intakes, adoptions, and the regular care of our 200+ cats and dogs keep both staff and volunteers hopping! As always, this month's Howler is packed with the regular great features such as: new arrivals, recent adoptions, a volunteer spotlight, and great informational articles. As you read through, you will also see great photos of the British invasion of HHAS and special people from Veterinary Specialty Care working hard for Hallie Hill when they returned for another successful volunteer day!

Be sure to make a note of the upcoming *2nd Annual Laps for Love Fundraiser*. August is right around the corner!! We are planning a terrific day at the Stono Ferry Pool and Pavilion with music and refreshments as we all cheer on our 6 participants who will swim their hearts out for a total of 200 laps or 2 hours - whichever comes first! You will be able to sponsor a specific swimmer per lap, or just give a general donation to support the event. All contributions will be designated for our MAGIC (Medical and Geriatric Intensive Care) Fund! This fund pays for everything from spay/neuter surgeries and monthly medications, to more expensive surgeries for orthopedic problems or mass removals. Follow us on Facebook or Instagram to stay informed!

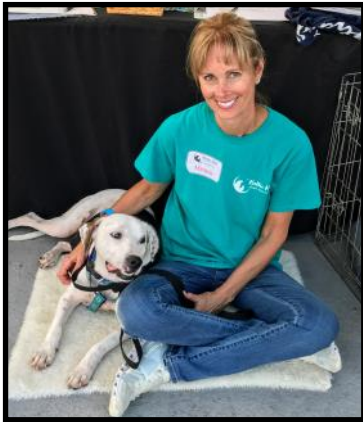

Stay cool!

July's
VOLUNTEER SPOTLIGHT:
Michele Bayme!

It is hard to describe how much Michele Bayme means to the Hallie Hill family! Michele cares about every animal on the property and is their tireless advocate! She spends countless hours providing enrichment for the dogs and is always available to expertly represent Hallie Hill at community events. Michele organizes many fundraising projects, is a mentor to new volunteers, and, if that is not enough, she also sits on the Hallie Hill Board of Directors! Her beloved Willy was once a resident of Hallie Hill, before becoming a brother to Abby and Remy Bayme! Hallie Hill is a better place for Michele's dedication, time and love. We are forever grateful and appreciative. We love you Michele! Thank-you!

Dogs on the Beach: A Pet Owner's Guide

By Rob Way, Lowcountry Weekend

We all love to bring our four-legged friends to the beach, but take note that some area beaches are already kicking in their stricter summer hours. Here's your guide for which areas allow dogs on the beach and when they have to be on a leash.

Lowcountry beaches have rules on when you're allowed to have your dogs on the beach. (Source: Pixabay)

FOLLY BEACH

- May 1 to Sept. 30: Dogs are not allowed on beach between 10 a.m. and 6 p.m.
- All other times: Dogs must always be on a leash.

SULLIVAN'S ISLAND

- May 1 to Sept. 30: Dogs are not allowed on the beach between 10 a.m. and 6 p.m. They can be off-leash from 5 a.m. to 10 a.m. but must be on-leash from 6 p.m. to 5 a.m.
- Oct 1 to April 30: Dogs must be on-leash from noon to 5 a.m.
- All dogs must have a valid permit.

ISLE OF PALMS

- April 1 to Sept. 14: Dogs must be on a leash from 9 a.m. to 5 a.m.
- Sept. 15 to March 31: Dogs must be on a leash from 10 a.m. to 4 p.m.
- Isle of Palms residents must have a valid permit for their dogs.

KIAWAH ISLAND

- March 16 to Oct. 31: Dogs must be on a leash at all times in the dog-designated area.
- Nov. 1 to March 15: Dogs are allowed off-leash between 7 a.m. and 7 p.m.
- Dogs are prohibited in critical habitat areas at all times.

SEABROOK ISLAND

- NOTE: Dogs must be on leash above the high water line at all times.
- May 1 to October 30: Dogs must be on a leash between 10 a.m. and 5 p.m.
- Nov. 1 to April 30: Dogs may be off-leash in dog-designated area, otherwise same summer hours apply.
- East of the designated off-leash area, dogs are not allowed at any time.

EDISTO BEACH

- May 1 to October 31: Dogs must be on a leash on the beach.
- November 1 to April 30: Dogs are allowed off leash on the beach.

HILTON HEAD

- Friday before Memorial Day to Labor Day: Animals are not allowed on the beach between 10 a.m. and 5 p.m.
- April 1 to Friday before Memorial Day: Dogs must be on a leash between 10 a.m. and 5 p.m.
- Labor Day to Sept. 30: Dogs must be on a leash between 10 a.m. and 5 p.m.

MYRTLE BEACH

- May 1 to Labor Day: Dogs are not allowed on the beach between 10:00 a.m. and 5:00 p.m.
- The day after Labor Day to April 30: Dogs are allowed on the beach at any time. They must be on a leash that's seven feet or shorter.

When you do take your dog along to enjoy a day on the beach, watch for dangers many dog owners might not think about, including allowing them to drink too much salt water or eating dead fish that may have washed ashore.

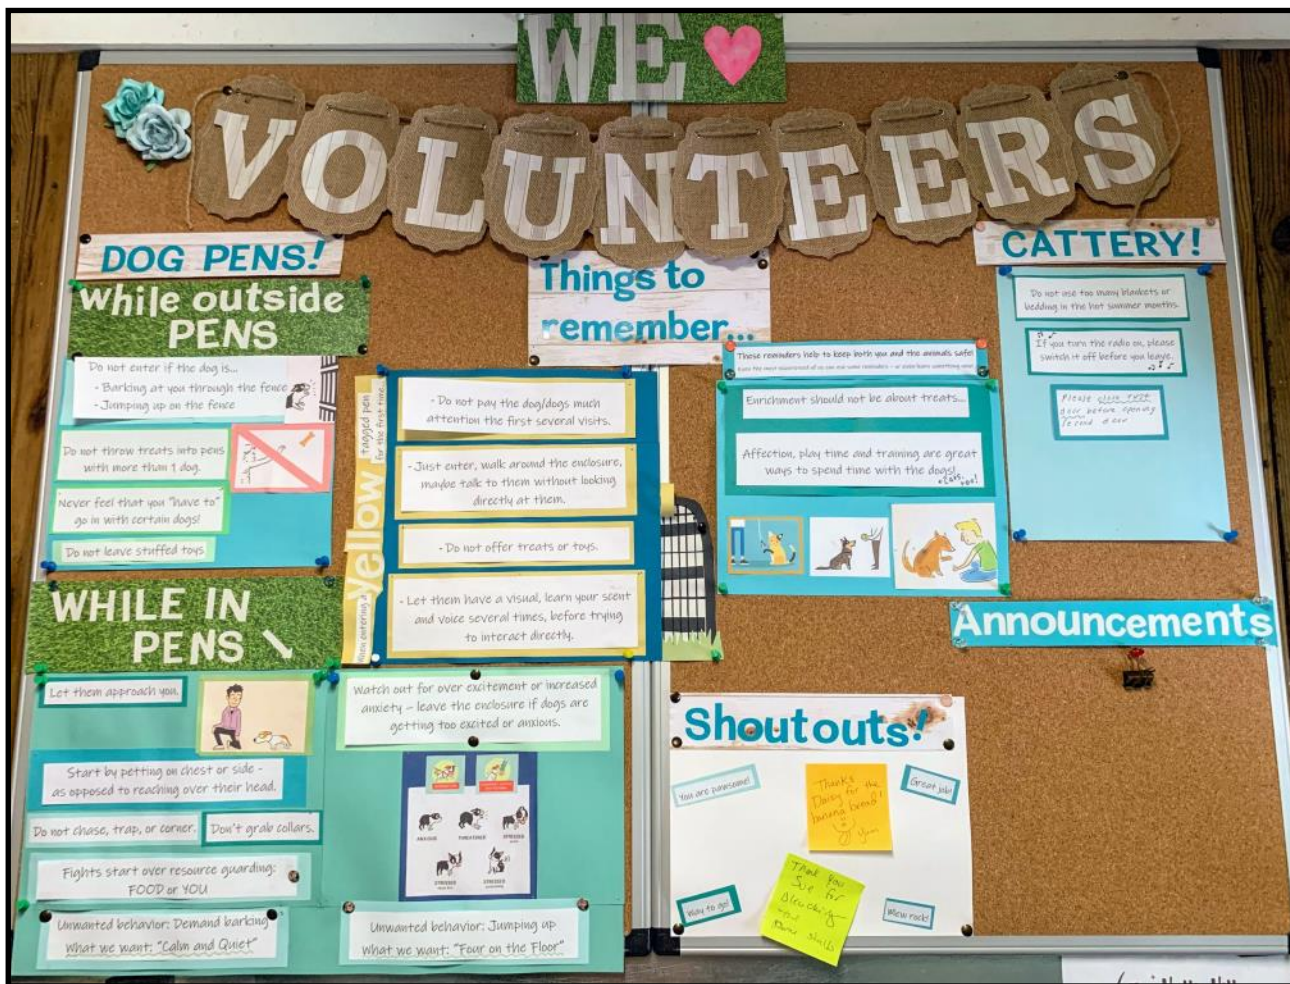

Be careful about letting them swim in the ocean as well: even a strong dog could get washed away by the currents. Consider buying a life jacket for your dog to keep them safe if they want to swim in the ocean or keeping them on leash whenever they're in the water so you can pull them back in easier if they get out too far.

We had a great time celebrating the blueberry harvest with our neighbors at Newton Blueberry Farm! Siesta, Wink, Dozey, Buster, Sophie, Jennifer, Barbara, Christie and Lynn were proud to represent Hallie Hill and spend time with friends, old and new! The kittens were a crowd favorite while hanging out in their kitty condo and Buster was happy to see everyone! Sophie even took Barbara on a wagon ride to the blueberry fields! Even though we got a little damp, nothing could dampen our spirits! Thanks Newton Blueberry Farm! Hope to see you next year!

Thank you Caroline for our new volunteer information board in the tack room!

Learn the early signs of canine aggression!

The canine LADDER of AGGRESSION

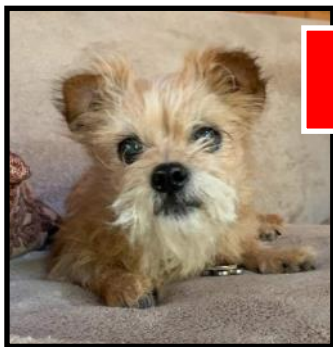

Dogs communicate their discomfort with a situation and a desire to end an interaction by using visual cues. These are depicted on this ladder of aggression. Recognizing the lower-rung gestures is important so a perceived stress or threat to a dog can be removed sooner.

Watermelon and Yogurt Frozen Dog Treats (Pupsicles)

★★★★★

Make a big batch of these two-ingredient Watermelon and Yogurt Frozen Dog Treats to keep your pup cool this summer!

Course	Dog Treats
Cuisine	American
Prep Time	5 minutes
Total Time	4 hours 5 minutes
Servings	15 treats
Calories	15 kcal
Author	Tracy

Ingredients

Special Equipment

- Immersion blender or blender or food processor
- Silicone treat molds or ice cube tray or mini-muffin pan

Frozen Dog Treats

- 2 cups chopped seedless watermelon
- 15 tablespoons (just under 1 cup) plain yogurt *

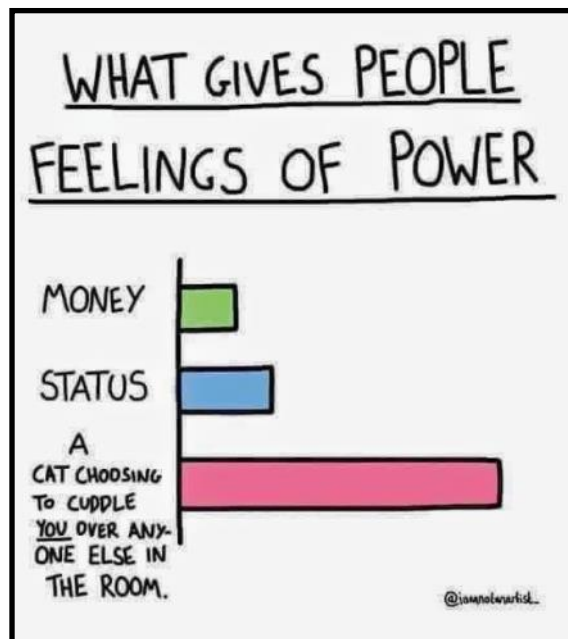

Instructions

1. Puree watermelon chunks until smooth. Add 1 tablespoon of yogurt to each space in your mold or ice cube tray. Fill the rest of the way with watermelon puree. Freeze until solid, about 4 hours.
2. Remove treats from mold* and store in an air-tight container in the freezer.

Recipe Notes

*If you used a muffin pan to freeze the treats, allow frozen treats to sit at room temperature for 5 to 10 minutes until you can use a plastic knife or fork to pop the treats out of the tray. Place in a single layer on a parchment or wax-covered plate or cookie sheet and refreeze for 15 minutes to 20 minutes before storing in an air-tight container.

*This recipe calls for plain, unsweetened yogurt. DO NOT use yogurt that has been sweetened with xylitol, as it is toxic to dogs.
