## Hallie Hill Animal Sanctuary Laps for Love 2020 Swimmer Information

**Date:** Saturday, August 8 (Rain date: August 15)      **Time:** Will be assigned according to experience.

**Location:** Stono Ferry Pool

THANK YOU for swimming for the animals! Please find helpful information below:

### How does the fundraising work?

- We will help you to build an online fundraising page.
- We will give you login information so that you can add to and update your page however you'd like!
- You can then share the link to your page with friends and family over email and social media to help raise funds for the animals!

### How will it work the day of the swim?

- Once you fill out your emailed survey, you will be assigned to a swim time.
- We ask that you please arrive at least 30 minutes before your swim time.
- Each swimmer will need a "counter" to keep track of their laps - as some people may sponsor each lap you swim! If you do not have a friend or family member you'd like to bring along to count for you, please indicate that you will need a volunteer to do so on the survey you were emailed.

### What precautions are being taken in regards to COVID-19?

- Anyone experiencing symptoms, or that has been in contact with someone who has tested positive will not be permitted to attend.
- There will only be 4-5 swimmers in the pool at a time - each with their own lane.
- Number of guests will be limited.
- Social distancing will be observed while outside the pool as well.

We are so grateful for your participation - and our animals can't thank you enough!

- I am swimming for the animals of Hallie Hill Animal Sanctuary! Hallie Hill provides a safe haven for animals with no other home or shelter. They prepare animals for adoption by providing respite, rehabilitation and socialization. Hallie Hill provides a loving Forever Home for animals whose chances of adoption are reduced due to age, medical or emotional issues. Please help me to raise money for this great organization! - I am helping animals - one lap at a time! I am participating in Hallie Hill Animal Sanctuary's Laps for Love fundraiser. Money raised directly supports everything from food to medical procedures for the sanctuary's 200+ dogs and cats. Will you help me to help the animals? Please consider donating and cheer me on! - I am swimming to raise money for the dogs and cats of Hallie Hill Animal sanctuary! Money raised will directly benefit the animals of the sanctuary - animals like Rafiki.  
Rafiki is an affectionate and sweet pup who came to the sanctuary from an overcrowded shelter. Sanctuary staff noticed he had an issue with one of his back legs. He was clearly uncomfortable and needed surgery to help him walk properly and feel his best! Hallie Hill made sure Rafiki got the surgery and care he needed. He is now feeling great, and is thriving while he looks for a home of his own! Please consider sponsoring my swim for animals like sweet Rafiki! [fundraiser link]
