Meet our Board of Directors:

LaDon Wallis

LaDon Wallis, DVM relocated to Charleston several years after she graduated from the University of Georgia, College of Veterinary Medicine in 2004. She wanted to become a veterinarian since the age of five, and remembers interviewing her family vet when she was ten years of age. Her profession affords her the ability to educate and influence people and care for animals that many consider family.

LaDon was recently appointed to the State of South Carolina Board of Veterinary Medical Examiners to represent the First Congressional District. She is excited to further her profession in this capacity, as well as serve on the Board of Directors for Hallie Hill Animal Sanctuary. She feels Hallie Hill is a top-notch facility like none other and appreciates the volunteers who work tirelessly to provide the most compassionate treatment to a variety of animals. LaDon looks forward to contributing her skills and knowledge for the betterment of the lives of the residents at the sanctuary.

She also has a passion to preserve and protect the environment and Lowcountry wetland and marsh habitats. LaDon considers Charleston one of the most beautiful places and takes every opportunity to enjoy the outdoors with her husband, whether it be hiking, paddling, or photography. She is an advocate for bringing awareness to the trash pollution that litters our beautiful coastal waterways.

Although LaDon and her husband are currently without a four-legged companion, they look forward to welcoming a new addition sometime in the future. Reese dog was their favorite - a quirky and energetic pittie-mix who provided many laughs. Her life was long and exceptional, but started out in rural Crawford, Ga where she was abandoned, left to be euthanized because she was a mangy, homeless waif. However, Dr. Wallis was determined to find the poor creature a fitting home, and well, that is just what happened. When it came time to say goodbye, there were heavy hearts filled with great sadness, but no regrets, and only fond memories of a friend who was as loyal as they come. Reese left this world with her "mouse" and humans next to her side, knowing that she fulfilled her purpose. Echoes of the song verse "Reese dog is a very good dog, all day long she's very good" are still sung. She, like so many other animals, enrich our lives in a special way, and no truer words have been spoken other than these by W. Bruce Cameron: "When you adopt a dog, you have a lot of very good days and one very bad day."

Volunteer Spotlight

Janet Funk Mendola

Janet was a compliance director for a healthcare company in Atlanta. Janet and her husband retired in 2010 and they followed their daughter to Charleston after she married and moved to the Lowcountry. They now have 2 beautiful grandchildren and spend as much time with them as possible. Janet and her husband ride the waterways in their boat, play tennis, take their dogs to the beach or dog park and go to the gym regularly to counteract the wonderful food offered in Charleston!

As mentioned, Janet has two dogs, so to her, it was inevitable that she would volunteer in a shelter! At first she was at Charleston Animal Society but then learned of Hallie Hill through a then fellow volunteer at CAS, and our friend, Brian Stiles. Janet contacted HHAS and has now been volunteering with us about 3 years, and ‘absolutely loves this place’! She says she has learned not to judge a dog by his breed, as any dog can have a bad past, but coming to Hallie Hill gives them a loving forever home. We appreciate all that Janet does for the animals of Hallie Hill, as well as using her excellent grant writing skills to help us to gain monetary support to further our mission in the best way possible!

“Heart of Silver”

1 Year Preventative for a Dog:

Dorian and Koko

“Heart of Bronze”

1-11 Months Preventative for a

Cat or Dog:

Joan Race

Robert A Marshburn

Patricia Singley

Aaron Oberman

Many animals arrive at HHAS infected with heartworms. Treating heart worms is costly and time consuming. First, the dog is given a heartworm preventative that kills the immature heart worms (larvae). This not only prevents new adult heart worms, but it reduces the possibility of mosquitoes spreading the heart worms to other animals. Secondly, the dog is given an antibiotic twice daily for 30 days prior to the treatment. The antibiotic weakens the adult heart worms by killing a bacteria that lives inside their gut. Immiticide is a series of three injections that kill the adult heart worms and it requires that the dog be crated or otherwise kept quiet for eight consecutive weeks. We counsel adopters that heartworm prevention is simple and relatively inexpensive compared to treatment. Thanks to generous contributions, the residents of the sanctuary receive heartworm and flea prevention monthly.

**Helen Bradham Receives
Charleston Animal Society's
Elizabeth Bradham Humanitarian of the Year Award**

We are thrilled to share that our founder, Helen Bradham, received Charleston Animal Society's Elizabeth Bradham Humanitarian of the Year Award. Helen founded Hallie Hill over thirty years ago when dogs had been left as strays on the property. Given her tremendous heart and endless compassion, Helen provided respite, love and care to each animal that had no other place to call home. She took in the handful of dogs, cats (and horses) as they appeared... over time her efforts quickly grew into a beautiful facility filled with the many spacious grassy enclosures and cabins that can be seen at the sanctuary today. Thanks to Helen's unwavering dedication to animals, Hallie Hill now provides sanctuary to hundreds of dogs and cats each year. Thank you Charleston Animal Society and Elizabeth for honoring Helen's continued efforts to help animals in need.

Our supporters are creative in their fundraising efforts...
...and we are appreciative !

Thank you
Anne Barnes, from
Faith Christian
School, for organiz-
ing a fund/food drive
for Hallie Hill! The
dogs and cats say
'woof' and 'meow'!
(That means thank
mew very much, we
love you!)

If we had an award for most creative and longest running fundraiser, Karen and Scott Emmons, and their friend, Laura Osborne, would win hands down! These three runners collected money they found while running for 20 years! They would meet every New Years Day, count their take, record the amount and stash it away always with the intent of giving it to an animal charity! This month Hallie Hill was the grateful recipient of over \$550, all in change!! What a wonderful tradition—thank you Karen, Scott and Laura!

Thank You Dennis Coleman!

Hallie Hill honors Past President of the Board of Directors, Dennis Coleman, for his dedicated service to the Sanctuary. A bench was placed in his honor at the entrance to the Sanctuary. On March 16, 2021 the bench was dedicated in Mr. Coleman’s honor by Ms. Helen Bradham, founder of Hallie Hill Animal Sanctuary and Mr. Harvey Loew, current President of the Board of Directors.

Thank You Exchange Club of Charleston!

On March 18th the Exchange Club of Charleston held their Annual (once removed) Luncheon for the winners of grant monies awarded in 2019. We were the thankful recipient of around \$3500 that was used to purchase food for our dogs for 3 months! Michelle Griffin represented the Sanctuary admirably and shared our thanks with the members of the Exchange Club of Charleston. We are appreciative!

Canine Cabin/Cat Condo Sponsorship

Benefitting Hallie Hill Animal Sanctuary

All of our animal friends deserve a warm, comfortable place to "rest their paws."

Hallie Hill's Canine Cabin or Cat Condo sponsorship program provides a great opportunity for individuals, families, private organizations, and businesses to directly support the animals we care for daily.

As a sponsor, your name will be proudly displayed on the front of the cabin and included prominently on our website and in our newsletter.

CLICK HERE TO [LEARN MORE](#)

Sponsor a canine cabin or cat condo in the name of that special person or animal...it will help keep our animals warm and dry, and warm your heart at the same time!

Please act quickly as, thanks to your generosity, there are only a few more cabins/condos available for sponsorship!

April's Adorable Adoptables!

Go to halliehill.com and fill out an application to come out to HHAS to meet these wonderful animals!

Parker

Parker is a happy, energetic, playful pup! He is friendly with other dogs, and is very treat motivated. At only 3 years old, he is among the youngest of our doggos and would love to learn lots of new, fun things in a home all his own! Look at that sweet face! He is ready to be a loyal companion and a valuable member of your family, if you will just give him a chance!

Walker

Walker is just 4 years old and is a timid kitty. He is warming up slowly, and will need his people to be patient and understanding with him as he continues to learn to trust in new experiences. He is a ginger, though, and they usually have a wonderful, loving, playful personality when they know that all is good! Are you the person to help him understand that life is good? There is no greater joy than when you earn the trust of an animal. Give Walker a chance—you'll be glad you did!

Naomi

Beautiful Naomi is 8 years old and was brought to Hallie Hill in pretty rough shape, emaciated and malnourished. But don't worry, she's doing great these days! Naomi is a terrier mix who loves playthings. She can make any object into a toy! Naomi is a loving and affectionate girl who loves being with people, but she should be the only dog in the home. She would make a great companion for a person looking for a sweet dark chocolate girl. Come on out to Hallie and meet her!

Dolly

Dolly is an absolute doll. At just 4 years old, this girl is sweet natured. She loves people and other dogs. She does currently jump up for affection, but she is a smart girl who is learning that sits get her more attention! Dolly is currently being treated for heartworm. Everyone needs another doll in their life! She hopes you will apply to adopt her today!

Mission Statement

Hallie Hill Animal Sanctuary is a 501c3 organization that provides a compassionate safe-haven with quality food and medical care for dogs and cats; a temporary home for those able to be adopted, and a forever home for those in need.
