

**We can't change
their past,
But we can
rewrite their future.**

The Hallie Hill Howler

June, 2021

From the Director...

Hello Friends,

What an amazing month May was! We had incredible weather for our most successful golf tournament ever! Putting for Paws 2021 raised over \$42,000 to support the 200+ animals here at the Sanctuary! We had the best time with the players who came to enjoy the day at the beautiful Links at Stono Ferry! We have many, many people to thank for making it all happen! First, our sponsors who were both generous and amazing. They are all animal lovers doing so much across the Lowcountry to make a difference. We must thank our incredible volunteers who worked so hard doing everything from running the registration table, walking dogs to meet the players, selling raffle tickets and t-shirts, to monitoring hole-in-one games. We even had volunteers who collected items for the raffle and baked delicious cakes! So, THANK YOU to everyone who made this event an incredible success so that we can continue to rewrite the future of all of the animals in our care!

Gratefully, Jennifer Middleton

Volunteer Spotlight

Kristen Tufts

Kristen, a Georgia native, spent 10 years in Virginia before moving to sunny Charleston 15 years ago. She currently works part-time for a florist/gardener and is a full-time mom to her 9 year old daughter, 11 year old son, and three rescue pups. Her passion has always been working with and rescuing dogs. Over the last 18 years there has never been less than two rescue residences as part of the Tufts' household. Her children have grown up as a member of the 'pack' and have helped foster, heal, and love on many a lost soul. Kristen knew she hit the jackpot when she learned about volunteer opportunities at Hallie Hill. Her other true love, besides her husband, is horses. After a 20 year break, she has jumped back into riding and volunteers at CATR working as part of their therapy riding program. Kristen enjoys being active and loves the challenge of a new fitness program. She is happiest with her family exploring nature, especially on the boat or a hike in the mountains - pups included, of course!

Attention Cat Lovers!

We are looking for a loving volunteer to do the cat care regularly on Mondays! Contact Jennifer if you are interested!

ATTENTION VOLUNTEERS!

Summer Hours: 8:30 AM —12:30PM

Many animals arrive at HHAS infected with heartworms. Treating heart worms is costly and time consuming. First, the dog is given a heartworm preventative that kills the immature heart worms (larvae). This not only prevents new adult heart worms, but it reduces the possibility of mosquitoes spreading the heart worms to other animals. Secondly, the dog is given an antibiotic twice daily for 30 days prior to the treatment. The antibiotic weakens the adult heart worms by killing a bacteria that lives inside their gut. Immiticide is a series of three injections that kill the adult heart worms and it requires that the dog be crated or otherwise kept quiet for eight consecutive weeks. We counsel adopters that heartworm prevention is simple and relatively inexpensive compared to treatment. Thanks to generous contributions, the residents of the sanctuary receive heartworm and flea prevention monthly.

Canine Cabin/Cat Condo Sponsorship
Benefitting Hallie Hill Animal Sanctuary

All of our animal friends deserve a warm, comfortable place to "rest their paws."

Hallie Hill's Canine Cabin or Cat Condo sponsorship program provides a great opportunity for individuals, families, private organizations, and businesses to directly support the animals we care for daily.

As a sponsor, your name will be proudly displayed on the front of the cabin and included prominently on our website and in our newsletter.

[CLICK HERE TO LEARN MORE](#)

HONOR YOUR DAD!

Sponsor a canine cabin or cat condo in the name of that special person or animal...it will help keep our animals warm and dry, and warm your heart at the same time!

Please act quickly as, thanks to your generosity, there are only a few more cabins/condos available for sponsorship!

Thank You Repeat Sponsors!

Nothing loved is ever lost

LOVE

Hendrick AUTOMOTIVE GROUP

June's Adorable Adoptables!

Go to halliehill.com and fill out an application to come out to HHAS to meet these wonderful animals!

Scarlett

Meet Scarlett! This 11 year old senior lady is sweet as sugar. This girl loves people, dogs, and cats! She enjoys affection, and loves to swim. How perfect is that for your new family member? She will be your new best friend!

Kenny

Kenny has a kind soul to match his sweet face! He is a bit nervous in new situations, but is endlessly gentle. At 11 years old, Kenny is mostly blind, but he gets around well! Have space in your heart and home for this sweetie?

Arthur

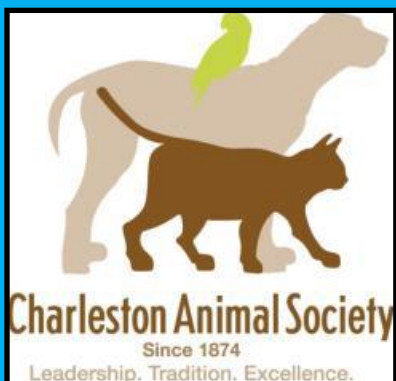

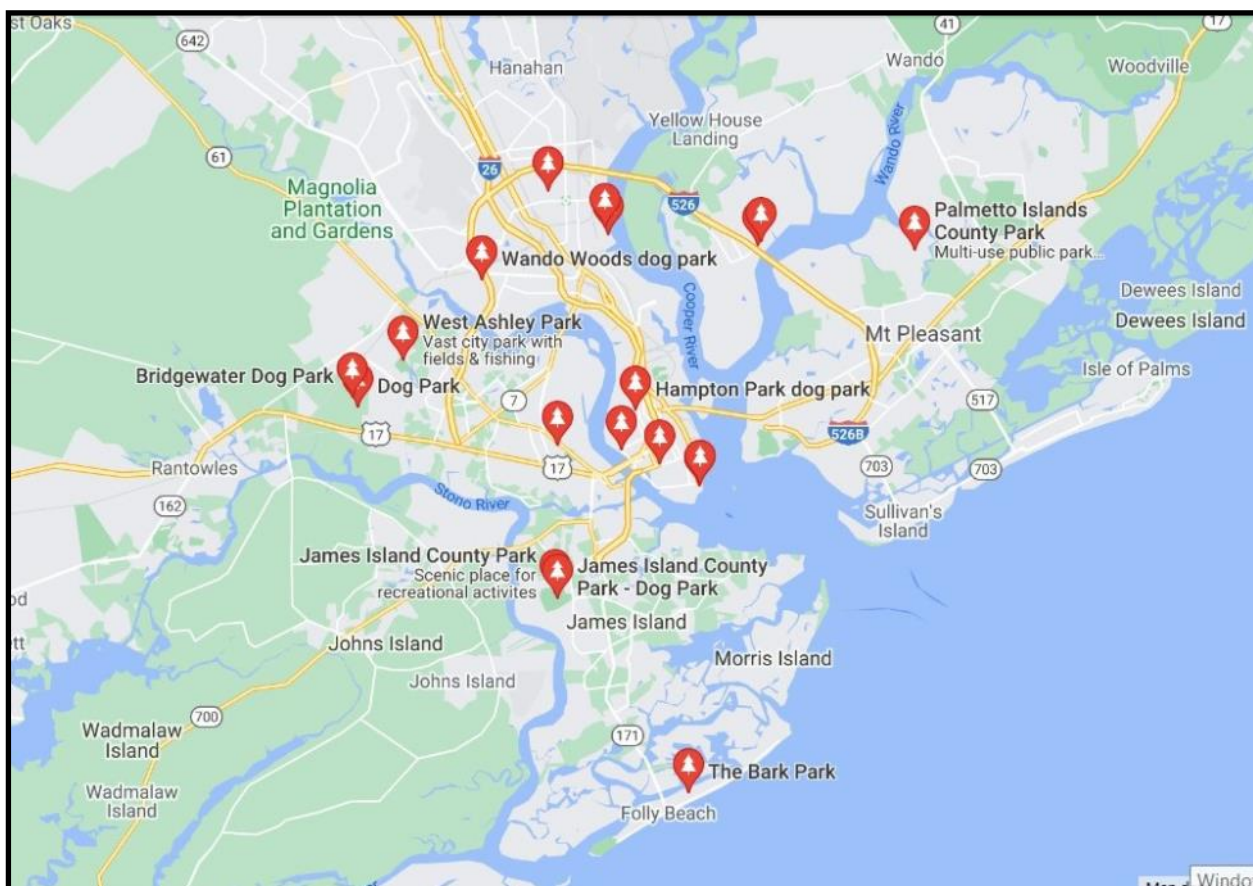

Arthur, at just 1 year old, is a very shy boy at first, he will need an adopter that is understanding of that. Once he gets comfortable, he can be quite a lover and very playful! "Good things come to those who wait" so if you're willing to wait just a little, Arthur will be a great addition to your heart and home!

We Have Guinea Pigs!

We have guinea pigs! Three boys and one girl, are waiting for their forever homes. They are just about a year old. If you want to add some furry sweetness to your life and a dog or cat isn't a good fit right now, we have you covered!

It's Hot Out!

Don't Leave Your Pet in the Car!

120°
Within 30 minutes, the car's interior can climb from 85° to 120°.

102°
On an 85° day, it only takes **ten minutes** for the inside of your car to reach 102°.

90°
Even if the temperature outside is only 70°, the inside of your car may be as much as 20 degrees hotter!

Pets most at risk for overheating are young, elderly or overweight animals, those with short muzzles and those with thick or dark-colored coats.

A car may overheat even when the windows have been left open an inch or two.

Shade offers little protection on a hot day and moves with the sun.

Many states and local governments have laws that prohibit leaving an animal unattended in a motor vehicle under dangerous conditions, which includes hot days. Your car could be damaged or you could be charged with a crime.

If you see an animal in a car on a hot day, try to locate the owner, or call 911! Stay by the car until help arrives.

Mission Statement

*Hallie Hill Animal Sanctuary is a 501c3 organization
that provides a compassionate safe-haven with
quality food and medical care for dogs and cats;
a temporary home for those able to be adopted,
and a forever home for those in need.*
