Alpha Impressions

Dear Friends,

November is 'Adopt a Senior Pet Month'! So naturally, we are celebrating the many fabulous senior dogs and cats here at Hallie Hill! Most of you already know the benefits of having a senior pet. They are often less destructive, less active, more relaxed, and more predictable than puppies or kittens.

Many people suffer great emotional pain when they must say "goodbye" to a beloved pet of many years, so they hesitate to adopt another dog or cat that is already advanced in age. They understandably feel they cannot endure the heartbreak of losing another pet anytime soon. During my years here at the sanctuary, I have been amazed to meet many wonderful people who adopt senior pets because they know how much the animals need them! Maybe they like this quote by Sidney Jeanne Seward as much as I do: "Blessed is the person who has earned the love of an old dog."

We have many opportunities for you to be 'blessed' at Hallie Hill! Go to www.Halliehill.com to meet your next best friend. You need our seniors just as much as they need you! Maybe even more!

Ray stars in Subaru's 'Make A Dog's Day' Campaign!

This was a really exciting month for us at Hallie Hill as one of our very own starred in the commercials for Subaru's *Make a Dog's Day Campaign!* Ray, and 6 other 'Underdogs' from Charleston area rescues, were featured in national print and video commercials! The spots, which aired on television, streaming services and in social media, encouraged adoption of challenged shelter animals. Ray was wonderful in the photo and video recording sessions held at Hed Hi Media, and it shows in the resulting commercials! Dog Handling Workshop with Jeff Horan!

On 10/14 we spent a very educational morning with Jeff Horan! Jeff volunteered his time to help volunteers learn to establish a consistent approach to our dogs, and to help teach the dogs the skills they need to be successfully adopted! He discussed and modeled: 1) body language and why it is important, 2) claiming your space, 3) positive reinforcement and how to use it, 4) establishing dominance, 5) the importance of a leash, and how it can change the way you see a dog, and, 6) routine and consistency! Jeff's introductory dog handling session is required for all new volunteers, and highly encouraged for all volunteers. It is in the best interest of the dogs if we all interact with them in a consistent way! Look for the dates of Jeff's November sessions below!

Don't Miss Out on a Free Workshop to Learn Dog Handling That Will Enrich Lives and Increase Adopt-ability!

Jeff has generously agreed to host 1 workshop a month because he knows how important consistency is in handling the sweet dogs at the sanctuary. Proper handling will reinforce good behavior and reduce the anxiety and over-stimulation sometimes created by volunteer visits. Using the techniques Jeff teaches will make your visits to the sanctuary more beneficial to the dogs, and more enjoyable for the dogs and you!

- Attendance to at least one of these workshops will soon be a requirement for any volunteers who want to work with the dogs- so make room in your schedule as soon as possible. You won't regret it!

Sunday, November 10th!
Choose to attend at one of the following times:
9 AM OR 1 PM in the cabin!

Sinker Represents Hallie Hill in the Community!

This month, Sinker and Jennifer spent time with the kindergarten students at LLCS and the students of Porter-Gaud School! They shared Sinker's story with the students as an example of how Hallie Hill fulfills its important mission of providing a compassionate safe haven with quality food and medical care for dogs and cats in need; a temporary home for those able to be adopted and a forever home for those in need. She talked with the students about the value of pets as family members and how to treat them with gentleness and respect. Sinker was the recipient of lots of love on those visits!

November's Adorable Adoptables!

Gizmo

Gizmo is a young (2 years!) hound mix with lots of love. He is house-trained but needs a fenced back yard. He is fearful of new people, but great with his family. He is very active and likes to play with other dogs. He needs someone to give him unconditional love!

Flounder

This handsome 4 year old fellow is Flounder. He is a beautiful young hound who loves to follow his nose to explore and play! He is looking for someone to play with him, love him, give him a furever home with a furever family!

Chewy

Chewy is sweet as can be at only age 3 ! This social little lady is very friendly, and even likes her belly rubbed! Check out that beautiful coat! She needs a family all her own to spoil her and enjoy her kitty antics! She'd make a great foot warmer, too, on those upcoming cold winter nights!

Mouse

Mouse is an all-around awesome 3 year old gal! She loves to play with rope toys, and is a great size. She would love to pounce around the yard with you, go for a long walk and then curl right up on the couch for a good movie. She is absolutely your new best friend!

Go to halliehill.com and fill out an application to come out to HH to meet these wonderful animals. They will complete your family!
