Meet our Board of Directors: **Marsha Alterman**

Marsha Alterman's commitment to loving and respecting animals has been an integral part of her life for as long as she can remember. In grade school, she would ride her bike on weekends to the shelter to play with the dogs even though she had several of her own at home. One of her fondest memories was the day she purposely popped a hole in her tire so her father would have to come "rescue" her. He arrived to find her in a cage refusing to get out unless Linus was rescued as well. Linus joined the family and lived with his beautiful wife, Geraldine (another rescue). No surprise that was Marsha's last day at the shelter but not her last day rescuing dogs!

There has been only one time in Marsha's life when she didn't have dogs: while attending graduate school at GW University and while working in DC (9yrs). Marsha moved back to Charleston to marry Doug and to adopt dogs. She has 2 incredible daughters, Lily and Rosie, who are blessed with the "dog" gene, 2 amazing dogs, Olive and Maddie and 2 hysterical turtles, Ethel Mertz and Frida Kahlo!

Marsha's recent retirement from Tricounty Family Ministries has afforded her the opportunity to volunteer at Hallie Hill as well as join the Board.

She believes there is no such thing as an ugly dog, having too many dogs, or a dog that doesn't need a hug!

Volunteer Spotlight

Katie Baldwin!

Katie Baldwin loves Hallie Hill because every dog is welcomed here, be they blind, bald, 3-legged, or deaf - it doesn't matter! They have a safe place to live for the rest of their lives if need be. She enjoys being around the staff and volunteers who all share a common love of animals and the sanctuary! Katie, when not volunteering at HH, is a Clinical Research Associate for ICON Clinical Research Organization. She was born in Charleston and is a CofC graduate. Katie is married to Buddy and lives just 2 miles from the Sanctuary. She is loved by all the dogs, especially Lincoln!!! Thanks for all you do Katie, we at Hallie Hill appreciate you!!

From August 1st through September 27th, anyone who adopts a dog from any of the participating rescue shelters throughout the Lowcountry will receive a free annual family membership to Magnolia Plantation and Gardens. This membership is our gift that keeps on giving: your family will be able to return and walk your new pet in our dog-friendly garden for a full year for free!

September's Adorable Adoptables!

Hazel

Just look at those eyes! Beautiful Hazel is 2 years old and is sweet as can be! This kitty is very friendly, with people and other cats, and would love her very own special person to love. She needs a fur-ever home of her very own! She could be the spoiled queen of your castle!

Flounder

This handsome fellow is Flounder (4 years old). He is a beautiful hound who loves to explore and play. He would love to take a leisurely walk in your neighborhood, go for a swim, go for a run by your side or just nap on the floor at your feet! He would be a wonderful choice to complete your family!

Dexter

Dexter (6 years old) is a sweet, loving boy! He is a happy pup who loves to meet new friends. Dexter hopes to find a home without small children. He is ready to go on adventures - and maybe get a belly rub! He already knows sit and shake - and is eager to learn more!

Magic

This beautiful black and white boy is named Magic (3 years old). He is a sweet boy who can be shy when first meeting new people but once he gets to know you, he is very friendly and loves attention! Let Magic work his magic on you—you will have a loving and loyal friend for life!
