The Hallie Hill Howler

Alpha Impressions

Hello Friends!

November is the month for reflection on the things for which we are grateful, and the list for us at Hallie Hill is a long one! First, we are thankful for the beautiful, unique, funny, and sweet animals in our care – they enrich our lives in so many ways, every day! We could not accomplish our mission of rewriting their futures without the help of our dedicated, generous supporters! We thank you for opening your homes and hearts to the cats and dogs who so desperately need and deserve a forever family! We thank you for making our fundraisers a success through your monetary and in-kind donations. We thank you for your time and energy spent at the Sanctuary caring for and enriching the lives of our animals in so many different, necessary ways! We thank you for fostering animals in need while they heal or learn new skills. We thank you for finding ways to use your individual talents to support us Hallie Hill – sewing, writing, speaking, cooking, buying, driving, fixing, consulting and on and on and on...It may be cliché, but doing this work truly does take a village. The people and animals of Hallie Hill Animal Sanctuary thank you for your generosity of resources, time and heart.

Please buy a ticket for our current fundraiser, the 2021 Quilt Raffle (thank-you Donna Gamble!). Drawing will be on November 24th! Watch for our Online Holiday Auction which opens on December 1st (mark your calendars) at www.halliehill.com! (Please know that we are still accepting donations to be included in the auction!)

Happy Thanksgiving to you, and yours!

Jennifer Middleton, Executive Director, HHAS

Volunteer Spotlight

Volunteering at the Sanctuary

Volunteers are a critical component of our success! There is not much done around Hallie Hill without the input and support of our dedicated volunteers. Volunteers have a wide range of tasks they complete around the sanctuary from sweeping stalls to appearing on television with an adoptable dog.

We are so lucky to have help keeping the sanctuary clean and beautiful by...

- Cleaning dog enclosures
- Cleaning the barn and bunkhouse
- Maintenance projects
- Cleaning the cat enclosures
- Laundry
- Dishes

While cleaning, many of our volunteers do simple things to enrich the lives of the animals in our care by...

- Distributing and collecting toys
- Visiting with the animals
- Brushing/Grooming the animals
- Walking dogs
- Playing music for the animals
- Playing with the animals
- Spraying scents for the animals

Our volunteers also serve in a critical role promoting the sanctuary and our residents by taking photographs, sharing our social posts, and spreading the word about Hallie Hill Animal Sanctuary!!!

Apply to become a volunteer by visiting <https://www.halliehill.com/volunteer/> . Limited positions available.

ATTENTION VOLUNTEERS! NEW WINTER HOURS!

Hours as of 11/1: 12:00PM - 4:00PM Sunday, Monday, Tuesday, Wednesday and Friday

Don't forget to schedule your visit at [signup.com](https://www.halliehill.com/volunteer/)

**Your donation to the MAGIC FUND really
does work for our animals in need!**

Hallie's Story

Hallie came to us from a local shelter that was at full capacity. Given that she was a little older and had masses on her mammaries, the shelter was worried about her chances of adoption, and reached out to us to take her in. Hallie's masses have been removed, and we discovered they were, thankfully, not cancerous. Hallie has recovered well and is available for adoption!

Hallie Hill 'Pup-Dates'

Our timid little Bam Bam, now Xander, is settling in in his new home in NC. He finds comfort being with his new sister Pearl. Mom says he's progressing every day.

Cecil, now Captain, went home yesterday! His mom Sam is so in love! It looks like his new roommate is too!

At first not so much, but she eagerly goes into her kennel when I leave and at night.

She has a healthy dose of separation anxiety and can be quite vocal, but that seems to be getting a little better. (I had left and she was in her kennel and she was howling so much, Thomas had to go out on the porch for some peace LOL).

Everyone's first comment is that she is such a pretty girl 😊.

Thank you Michelle and all of you at Hallie Hill! Christy"

Grey, now Benedict ((Ben for short) has officially been adopted! He's such a sweet, gorgeous boy! We are so happy for him. Happy life Ben! 💕

Today is Dustin's (known to us as "Little Frankie") 1 yr Anniversary of being adopted from Hallie Hill! 🎉 He's so loved by his dad Bob and is his best bud and right hand man! He loves everyone, people, dogs, cats, you name it! He's also BFF's with HH alum, Rudy, Daniela Schneider's pup!

Happy Anniversary Handsome, we're so happy you're living your best life! 💕

Moose and Ella stopped by to say hi!

"Shiloh is doing great! No more accidents! Wooh! She is adjusting to my schedule well, and enjoying the abundance of toys in the house for her to play with. I took her and Ernie to the dog park and they had a blast. We go about once a week to James island county park and they have water!"

Here's our sweet Millie relaxing on her new back porch. 💕 She took no time to settle in. She loves to be rubbed, hugged and fed (we knew she liked to be fed, lol). They are so happy to have her.

ADOPTION UPDATE

OREO

We received a pawsome pupdate from Oreo's mom! Oreo was adopted into his loving family in 2018 and has been living the life!

"Hello from Oreo! He wants to let everyone know that he is doing well and he is enjoying his life in the foothills of GA. He has become the food critic in the house. The Gang gets a bunch of extras on their food for bone support and gut support, but Oreo will only eat select pumpkin varieties! He turns his nose up at anything other than Libby's or Walmart brand, the others are too runny for him! 🍵"

We are SO happy for you, Oreo! Enjoy your pumpkin! 🍵

LOWCOUNTRY STARBURST QUILTS!

These "Starburst" designed quilts were sewn using Artisan Batik fabrics from the Robert Kaufman line by Lunn Studios. The fabric design name is "Totally Tropical", a perfect choice for lowcountry quilts. Artisan Batiks are hand printed and dyed - bringing you these fun designs and brilliant colors. Both quilts in this year's raffle are a great throw size - just a few inches shy of a five foot square.

Thank you all for supporting Hallie Hill Animal Sanctuary.

Raffle tickets are available for purchase for \$5 each [HERE](#)
All ticket sale proceeds will benefit the animals of Hallie Hill.

Meet the Artist: Donna Gamble

Like many people from the Northeast, it only took one trip here to the lowcountry of South Carolina to become hooked!

Our family consists of three rescues, a hound mix, a blue tick coonhound and our newest member from Hallie Hill, a Staffordshire Terrier. All three with unique personalities and are a tight pack who keep track of each other. We are strong advocates of dog safety and wellness and letting them shine in their own light. Our Bloodhound does search and rescue work, our blue tick joins in the search and rescue training as does our Terrier but his passion is swimming in the Atlantic (equipped with his life jacket).

I have tremendous admiration for Jennifer Middleton, the staff and volunteers and all that they have done to make Hallie Hill what it is today.

Canine Cabin/Cat Condo Sponsorship

Benefitting Hallie Hill Animal Sanctuary

All of our animal friends deserve a warm, comfortable place to "rest their paws."

Hallie Hill's Canine Cabin or Cat Condo sponsorship program provides a great opportunity for individuals, families, private organizations, and businesses to directly support the animals we care for daily.

As a sponsor, your name will be proudly displayed on the front of the cabin and included prominently on our website and in our newsletter.

MAGIC =
Medical And Geriatric Intensive Care

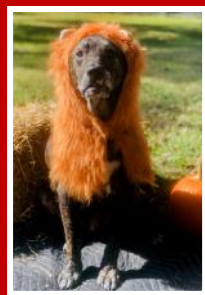

The MAGIC Fund is used to cover the many medical costs that arise at the sanctuary. New arrivals require vaccinations and spay/neuter surgeries. All of the 200 animals receive monthly heart worm and flea preventative. Many animals develop orthopedic or other health problems that require surgery. Hallie Hill also has many animals that require daily medications for everything from diabetes to arthritis. Many of the senior residents need more medical interventions as they age. Your donation to this fund helps to ensure the animals get the medical attention they need to live healthy, pain-free lives.

Sunshine

Sunshine is a 9 year old female ginger tabby kitty who can be shy when first meeting new people. She likes other cats, and once she gets to know you, she is very friendly and loves attention! Who doesn't need a little Sunshine in their life? This beautiful girl will definitely add lots of warmth to your home!

Oscar

Oscar is a sweet 9 year old chihuahua mix. He loves to be with his people, gets along with other dogs and seems just fine with cats! He loves to hang out on the back of the couch, watching over all that's going on. He has a playful side as well! Oscar walks great on a leash and likes to go on outings. If you're looking for a sweet companion, Oscar is your man!

Mocha

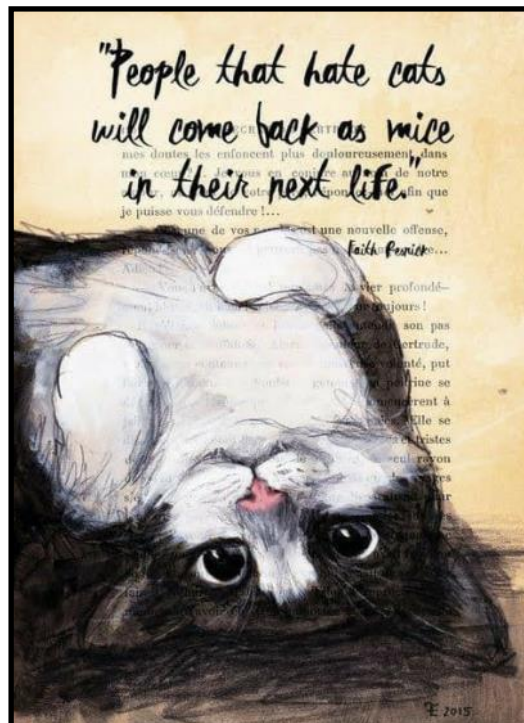

Mocha is estimated to be 4 years old. She is one of our newer, and younger, residents at the sanctuary! She was found as a stray and brought to a local rural shelter. Mocha's a great size and a very pretty girl. She gets along with other dogs and is very excited to be a part of a family. She is so much fun and has lots of love to share!

Cricket

Miss Cricket is 7 years old and loves being with her people. She knows sit, stay, roll, shake and enjoys just hanging out in the house. Cricket can get very excited when the UPS truck pulls up but, who doesn't? She would do best in a neighborhood that is quiet, with not a lot of other dogs out and about, especially when she goes out for a walk. She would be a loyal companion!

12 Thanksgiving Day Foods THAT COULD KILL YOUR DOG

Gravy

A Thanksgiving dinner staple, gravy is best left off Fido's dinner plate. Rich gravy, high in fat and loaded with salt, spices, and other dangerous ingredients can cause upset stomach, gastrointestinal distress, or pancreatitis.

Turkey Skin

While turkey is generally an excellent protein source for pets, it's best to only share white meat with your pup and keep him away from turkey skin which is not only high in fat, but contains marinades, butter, spices, and oils that are difficult to digest.

Cooked Bones

Although raw bones are an excellent treat for any pampered pet, cooked turkey and other poultry bones can be deadly if eaten. When cooked, the bones become brittle and can splinter in the digestive tract. Avoid feeding cooked turkey bones and dispose of your turkey carcass carefully so as not to tempt your curious pup.

Sage

Many holiday dishes are cooked using this popular herb, but sage can be potentially dangerous for our furriest family due to essential oils that can lead to upset stomach or liver and kidney problems.

Nuts

An autumn staple, nuts are frequently found in holiday dishes and in bowls around the home this time of year. While most nuts are fine when given in moderation, some nuts, especially walnuts and macadamia nuts, are highly toxic for four-legged family and can lead to vomiting, lethargy, seizures, and elevated heart rate.

Cranberry Sauce

Cranberries are a great source of antioxidants and make excellent treats for dogs and cats, but if you indulge your furriest family with cranberry sauce from the Thanksgiving dinner table, make sure it's made without raisins, grapes, or currants and use sparingly as most cranberry sauces contain lots of added sugars.

Onions & Garlic

Onions and garlic both contain sulfides which are toxic to dogs and can damage red blood cells and lead to anemia. Although small amounts of garlic can be safely given to dogs, onions (and members of the onion family including chives and shallots) should be avoided in all forms - raw, cooked, or powdered.

Nutmeg

Although pumpkin and sweet potatoes are excellent sources of fiber and nutritious treats for pets, many holiday pumpkin and sweet potato dishes are spiced with nutmeg, a highly toxic ingredient that can cause seizures and central nervous system problems if ingested by your pet. Before sharing any pumpkin or sweet potato dishes with your dog, make sure they contain absolutely NO nutmeg!

Alcohol

Although many dogs enjoy the taste of beer or wine, there's absolutely no reason to indulge your dog with a sip of your alcoholic beverage this Thanksgiving. Alcohol, and especially the hops in beer, is highly toxic and can lead to death in both dogs and cats.

Corn Cobs

If your holiday meal includes fresh corn on the cob, feel free to share a few kernels of corn with your best buddy. Be careful not to allow him to chew the cob, though! Corn cobs cannot be digested and, if swallowed, can quickly lead to intestinal blockage.

Chocolate, Dough, & Batter

We all know that chocolate is a big no-no for pets, but many don't realize that dough can actually rise inside your dog's stomach, leading to bloating, severe pain, and possible intestinal blockage. Additionally, doughs and batters often contain raw eggs which can expose your pet to Salmonella.
