# *The Hallie Hill Howler*

## **Meet Our Newest Board Member: *Jena Jones***

Jena Jones is an animal advocate, Army Veteran, business owner and want-to-be farmer! Jena has a longstanding history with animal service organizations. She has both volunteered and served in formal roles within 501c3's since 2007. She served as the Director of Development for a therapeutic riding facility and has been a board member of an Arizona rescue and sanctuary for over 10 years. In her time supporting these organizations, she has managed operations, lead growth/fundraising efforts, and provided animal care and fostering. She is proud to say that the number of fostered friends is over 60!

Jena still spends every day actively engaged in animal care and animal welfare. It is her single greatest passion and priority. She owns a small farm caring for sanctuary animals including horses, cows, goats, dogs and cats. She hopes one day she can grow up to be a full-time Farmer. Jena splits time between Columbus, NC and Meggett, South Carolina just around the corner from Hallie Hill.

Jena founded and serves as CEO of PGT Solutions, a healthcare focused IT and professional services consulting firm. PGT focuses on support to Veterans and Service Members through improving healthcare and other critical support to them and their families. She first got involved with Hallie Hill when looking for an animal service organization to bring PGT employees to volunteer. Time spent volunteering resulted in a desire to help further the Hallie Hill mission and, naturally, in bringing home a new family member. Nora, the dramatically friendly Anatolian Shepherd, is a Hallie Hill alum and now spends her time exactly how she wishes: watching over her goat babies... in between naps on the couch, of course!

**Meet the Artist:  
Donna Gamble**

"Like many people from the Northeast, it only took one trip here to the lowcountry of South Carolina to become hooked!"

Our family consists of three rescues, a hound mix, a blue tick coonhound and our newest member from Hallie Hill, a Staffordshire Terrier. All three with unique personalities and are a tight pack who keep track of each other. We are strong advocates of dog safety and wellness and letting them shine in their own light. Our Bloodhound does search and rescue work, our blue tick joins in the search and rescue training as does our Terrier but his passion is swimming in the Atlantic (equipped with his lifejacket)!

I have tremendous admiration for Jennifer Middleton, the staff and volunteers and all that they have done to make Hallie Hill what it is today."

## THE CAT CORNER

### CATS need...

#### 1. SAFE SPACES in Every Room

**HIDING SPACES**  
Hiding is a normal response to being scared or overwhelmed. Don't disturb.

**WARM SPACES**  
sunny spots, heater/blankets

**HIGH UP SPACES**  
with more than one way up and down.

**CONVENIENT LITTER BOX**  
scooped clean, in a quiet location with low foot traffic

#### 2. MULTIPLE. Separate Resources

**FOOD:** Feed cats in separate locations. (Cats are solitary hunters!)

**WATER:** Some cats like their food & water in separate areas.

**LITTER BOXES:** One box per cat plus one extra, in separate & accessible locations, not easily blocked by another cat.

#### 3. PLAY & Predatory Behaviors

**INTERACTIVE PLAY**  
Cats NEED predatory experiences! Simulate the hunting experience by making toys move like prey. Rotate toys to keep things interesting.

**FOOD PUZZLES**  
Puzzle feeders for foraging and tiny frequent meals.

#### 4. POSITIVE & CONSISTENT Social Interactions

**CONSENT + CHOICE**  
Respect what your cat likes and doesn't like as an individual. \* Learn cat body language!

**NO FORCE, NO PUNISHMENT**  
grabbing spraying shouting scruffing

**SOCIALIZE**  
... kittens to positive handling (between 2-7 weeks)

#### 5. FAMILIAR SCENTS for Trust & Security

**FAMILIAR BEDDING**  
USE SCENTS TO INTRODUCE NEW ANIMALS SAFELY  
Would you like to snuggle your new housemate?

**SCRATCHING POSTS**

**FACIAL MARKING**  
on things

**DO NOT:**  
use scented litter  
use scented cleaners  
clean away all familiar scents

#### 6. REWARD BASED TRAINING for Good Welfare

Use what your cat likes (eg, their favorite treats) to teach new skills & provide positive experiences.

**CARRIER TRAINING**  
for travel, vet visits, & emergencies

**HEALTH EXAMS**  
TAKING MEDS  
NAIL TRIMS

**DENTAL CARE**  
TAKING WEIGHT  
BRUSHING/GROOMING

**TRICKS + GAMES**

Carmella's mom just sent me an update of her enjoying the Minnesota life. "Here's sweet Carmella enjoying her ferry ride and swimming in the Great Lake of Superior!"

Lucy is living her best life in Florida, bringing joy and laughter to her hu-mom and dad! She LOVES her people, and they love her! 🐾

## ADOPTION PUP-DATES

Thank you

Kenny slept on the downstairs dog bed last night while I was on the sofa, and he stayed there without any problems. We did a potty break around midnight and he was good until early this morning. Kenny is very very nervous, but he's not cowering or hiding. Foster definitely makes him feel brave, so whenever I need him to do something, I just send Foster first! The kids love him! I got a message from RJ's school aide that he immediately came in and was excited to tell her all about Kenny."

Kenny

BeBe

"So much spunk to this little pup! Her and Jethro are getting along well. She doesn't like the water but loves to run around the pool. She loves toys!! I will forever be grateful to y'all for giving me such a wonderful pup!"

Doris

"I have had Olive (formally Doris) for a whole year now and, no matter how hard we try, she stays a chubby, happy girl. This photo is from Saturday's cleanup after Hurricane Ian blew through. Olive no longer requires a leash to go outside--she is a very good girl and stays around the house if I am outside and comes down and up the stairs by herself. She is such a joy and Smoky, who is almost 14, often goes over to curl up beside her on one of the beds. Thank you for all you do at Hallie Hill."

**Max**  
(Formerly Willy)

"I just have to let you know how we love this sweet dog. My husband just said tonight, 'I've never seen such a loving dog', and he is that. Thank you for all your work at Hallie Hill. He's lying on my bed next to me. He's gained maybe a little weight, but mostly is just soaking into our dog family and our lives!" (Max, formally Willy)

**Manny**

"Look who loves to ride the mower when I'm just picking up leaves and straw. Could not steer and hold him so we bought a carrier...he loves it!"

**WE LOVE OUR ADOPTERS!**

**Wrigley**  
(formerly Bibbity)

"Wrigley is doing great. Loves his brother, but not too fond of baths!"

"Happy October! Juniper has been with me for 1 year and 4 months this week all because of you! I love him so much and just wanted to send some of his recent pics so you all can see how happy and loved he is."

**Juniper (formerly Moo Shoo)**

ADOPTERS, SHARE YOUR PICTURES WITH US AT  
[ADOPTIONS@HALLIEHILL.COM!](mailto:ADOPTIONS@HALLIEHILL.COM)

We are so grateful when families share the joy that they find when adopting from Hallie Hill, and we are equally honored to share their sadness. You see, these beautiful animals were once loved by us, too, and we are honored by the opportunity to share the grief of their passing with their families.

Run free, Sweet Nellie!

Jennifer,  
Nellie was the greatest "gift".  
I can't even express all the ways  
she enriched our lives. She was  
not just a fine dog, but was  
truly special. We are grieving  
her loss but at the same time we  
are so very thankful for the  
time we had together. Thank  
you, Hallie Hill. Nancy & Kel Smith

**From our Hallie Hill family to yours -  
We wish you a blessed and joyful  
Thanksgiving!**

## November's Adorable Adoptables!

Go to [halliehill.com](http://halliehill.com) and fill out an application to come out to HHAS to meet these wonderful animals!

### **Moxie**

Moxie is a perfectly sized female terrier mix who is 8 years young! With silky fur and saucer ears, she is such a cutie! She is good with other dogs, but when leashed is not quite as friendly. Moxie has had multiple surgeries to close a hole in her hard palate (after a bad run-in with a stick) but still has a small opening that causes her to sneeze often but does not affect her quality of life! Meet this girl and fall in love!

### **Ranger**

Meet sweet Ranger! This 6 year old boy is a happy guy who loves running around with his friends in our yard at the sanctuary. He loves a good game of fetch as well. He's very affectionate and loves to shower you with kisses. He does love attention and tries to get yours when he can, so he'd probably be best in a home with people who are home more often than not. Frankly we don't know why this great guy hasn't been scooped up! Call and meet him!

### **Edisto**

This beautiful male German Shepherd mix is just 3 years old and she is so pretty! Edisto has a chill personality and did very well when we had her meeting the public at some of our recent community events! Edisto does well on a leash and would love the opportunity to be a valued member of your family! Where are our Shepherd lovers? Go to [halliehill.com](http://halliehill.com), fill out an application and come out to the Sanctuary to meet this very pretty girl!.

### **Donny**

Look at that sweet face! Donny is just a year old, still a kitten and is missing his sister, Marie, who found her fur-ever home a few months ago! He is very timid with new people, at first, (which is why he is still with us) but we have found he warms up quickly and will seek you out when he knows you! Tabbies have the most wonderful personalities, Donny would make a wonderful addition to your family. Come meet this fur baby and gain his trust!

## Pumpkin Treats For Your Pups!

## PUMPKIN

### Provides Enough Fiber for Healthy Digestion

The rich amounts of soluble fiber in pumpkin can assist your pet's digestive tract by helping **stop the overgrowth of bad bacteria** in their intestines. It may also help regulate their bowel movements and gastric emptying.

#### REMEMBER:

Feed your pet 100% plain, pure pumpkin that's gently cooked (steamed or baked) and in moderate amounts.

### auntie lisa's pumpkin doggie biscuits

combine 2c flour,  
1 egg, 1/2c pumpkin,  
1/3c peanutbutter,  
roll out to 1/2" thick,  
cut out biscuits, bake  
40 minutes at 350°.

4 ingredient

### frozen pumpkin dog treats

pumpkin puree, yogurt,  
banana, honey

#### Directions:

1. Add pumpkin puree (1 can), yogurt (1 cup), banana (1/2), and honey (1/4 tsp) to blender
2. Whirl until smooth. Scrape down sides of blender as necessary
3. Spoon mixture into desired ice cube trays or molds
4. Freeze 12 hours

## PUMPKIN & PEANUT BUTTER DOG TREATS

### Ingredients

- 2 cups flour
- 1 cup canned pumpkin
- 1/2 cup peanut butter

### Instructions

- Preheat your oven to 375 F.
- Mix the pumpkin & peanut butter in a large bowl.
- Stir in the flour & combine the mixture into a dough.
- Roll out your dough onto a floured surface
- Cut out shapes with your favorite cookie cutters.
- Place your treats onto a baking sheet, about a half an inch apart.

**MAGIC =**  
Medical And Geriatric Intensive Care

The MAGIC Fund is used to cover the many medical costs that arise at the sanctuary. New arrivals require vaccinations and spay/neuter surgeries. All of the 200 animals receive monthly heart worm and flea preventative. Many animals develop orthopedic or other health problems that require surgery. Hallie Hill also has many animals that require daily medications for everything from diabetes to arthritis. Many of the senior residents need more medical interventions as they age. Your donation to this fund helps to ensure the animals get the medical attention they need to live healthy, pain-free lives.
