Hallie Hill
ANIMAL SANCTUARY

2027 Partner Packet

We can't change an animal's past, but we can rewrite their future.

WHY PARTNER WITH **HALLIE HILL?**

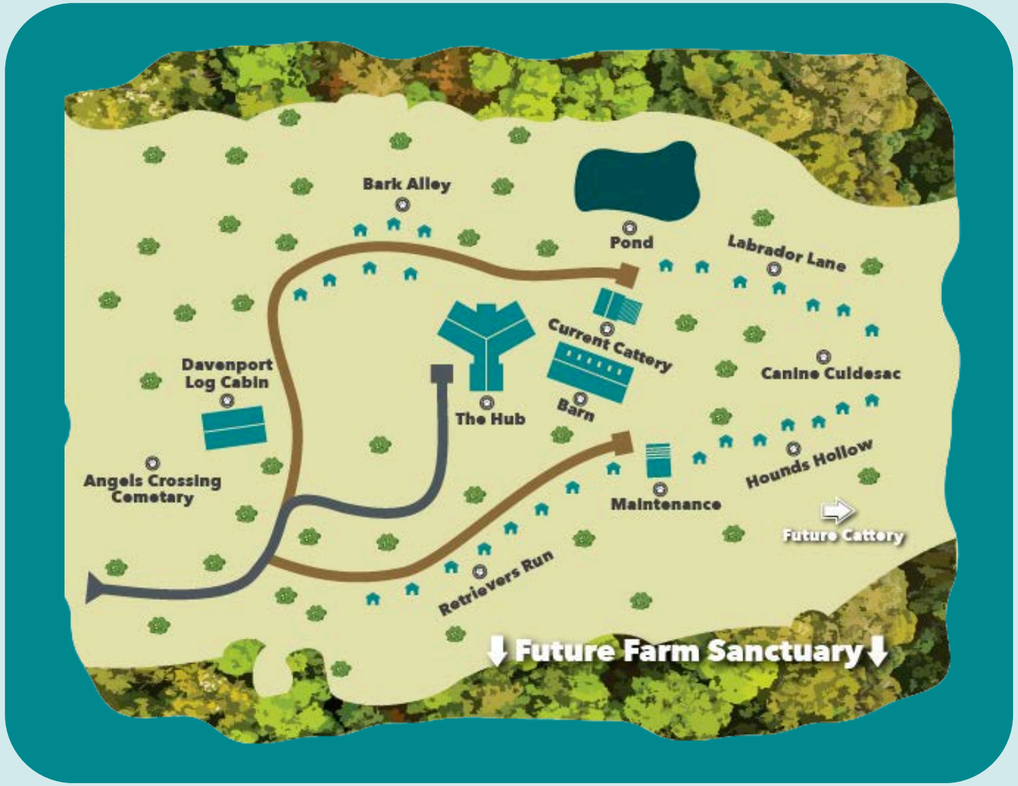

Hallie Hill Animal Sanctuary is a 501c3 that provides a safe haven for animals with no other home or shelter. We prepare animals for adoption by providing respite, rehabilitation and socialization. For those animals whose chances of adoption are reduced due to age, medical or behavioral issues, Hallie Hill provides a loving Forever Home with the proper shelter, nutrition and medical care. We can't change an animal's past, but we can rewrite their future.

Hallie Hill helps Charleston to achieve the status of a No-Kill Community by working with local shelters and rescues to take in dogs and cats that might not get adopted due to age, medical or behavioral concerns.

OUR **PROPERTY**

Hallie Hill has 100 acres of land with large enclosures for dogs to live and play and a cattery to safely and comfortably house cats. The cattery has seven screened catios with spacious indoor living. Our facility features a pond for swimming, dog houses with straw and heat lamps, bedding, and individual pools to help keep animals comfortable. We also have an indoor facility to house older or medically vulnerable animals.

WHAT MAKES
HALLIE HILL DIFFERENT?

Once we take an animal in, we promise it a home for the remainder of its life, should it not be adopted. We work with local shelters and rescues taking in dogs and cats that might not get adopted due to age, medical, or behavioral issues helping Charleston to achieve the status of a NO-Kill Community.

Hallie Hill is UNIQUE.

We also have The Hub, a medical facility that allows our on-site veterinarian, staff and volunteers to routinely care for and treat animals in our care. We also host a monthly low-cost spay/neuter and wellness clinic, providing services to the community at a reasonable price.
